A visual Hunter would have seen three ducks on a plate. The verbal teammate would begin talking out loud. "Who are these ducks? Are they from DuckTales?" Why yes they are! It is Huey, Dewey, and Louie. But why are they on a plate? A kids plate? Well, if your Brown Bag person thoroughly investigated the contents, you would have noticed there is a "kids" menu from TC Eggington's with an item called the "Hughy, Dughy, and Lughy Omelette". Now you would think the answer was \$4.95, but the HWOW said, "Don't forget to order a drink." A drink is \$1, so add that to the price and follow your host to

A visual Hunter would have seen three ducks on a plate. The verbal teammate would begin talking out loud. "Who are these ducks? Are they from DuckTales?" Why yes they are! It is Huey, Dewey, and Louie. But why are they on a plate? A kids plate? Well, if your Brown Bag person thoroughly investigated the contents, you would have noticed there is a "kids" menu from TC Eggington's with an item called the "Hughy, Dughy, and Lughy Omelette". Now you would think the answer was \$4.95, but the HWOW said, "Don't forget to order a drink." A drink is \$1, so add that to the price and follow your host to

A visual Hunter would have seen three ducks on a plate. The verbal teammate would begin talking out loud. "Who are these ducks? Are they from DuckTales?" Why yes they are! It is Huey, Dewey, and Louie. But why are they on a plate? A kids plate? Well, if your Brown Bag person thoroughly investigated the contents, you would have noticed there is a "kids" menu from TC Eggington's with an item called the "Hughy, Dughy, and Lughy Omelette". Now you would think the answer was \$4.95, but the HWOW said, "Don't forget to order a drink." A drink is \$1, so add that to the price and follow your host to

A visual Hunter would have seen three ducks on a plate. The verbal teammate would begin talking out loud. "Who are these ducks? Are they from DuckTales?" Why yes they are! It is Huey, Dewey, and Louie. But why are they on a plate? A kids plate? Well, if your Brown Bag person thoroughly investigated the contents, you would have noticed there is a "kids" menu from TC Eggington's with an item called the "Hughy, Dughy, and Lughy Omelette". Now you would think the answer was \$4.95, but the HWOW said, "Don't forget to order a drink." A drink is \$1, so add that to the price and follow your host to

A visual Hunter would have seen three ducks on a plate. The verbal teammate would begin talking out loud. "Who are these ducks? Are they from DuckTales?" Why yes they are! It is Huey, Dewey, and Louie. But why are they on a plate? A kids plate? Well, if your Brown Bag person thoroughly investigated the contents, you would have noticed there is a "kids" menu from TC Eggington's with an item called the "Hughy, Dughy, and Lughy Omelette". Now you would think the answer was \$4.95, but the HWOW said, "Don't forget to order a drink." A drink is \$1, so add that to the price and follow your host to
