is located in Map Grid E2. Proceed to the intersection of North 7th Street and East Saddle Mountain Road, noting that 7th St. is a gravel road located 800 feet west of New River Road at this point. Park on the west side of 7th street and walk (or drive if you are daring) 125 ft. north on 7th St. to the north side of the wash. Follow the north side of the wash to the west for 50 ft. to a gap in the trees. The clue is located in the wash at the base of a Palo Verde tree.

GPS Coordinates are 33.850262, -112.065654

which will direct you to Clue U.**

The HWOW linked parachute should look familiar here! Thanks to Tanyafish on github, we've been taught how to decipher the Message to Mars that the folks at NASA and JPL sent on Percy's parachute.

But this earthbound parachute standing in the desert tonight has a different message. Working through the clever code, this parachute spells 'MY LANDING SITE.' So where did the original parachute originally land? The Jezero Crater!

Head over to the circle :
